

**small groups ⇒ BIG EXPERIENCES** – Add excitement and interaction to your next small group meeting or outing by incorporating an energetic 90 minute team activity to your agenda. Choose from our list of time-tested programs for small corporate events that educate, entertain, energize and enhance relationship bonding opportunities. Did we mention they are a lot of fun as well?

Examples of small groups ⇒ BIG EXPERIENCES programs are listed below and range from our “Improv Workshop” concentrating on team communications to “Team Brainium: Unplugged” an interactive game show that includes tests of knowledge, interactive challenges and visual puzzles. Each of our small groups ⇒ BIG EXPERIENCES programs include a lead emcee or facilitator, event staff and all equipment and supplies required to add impact to your small group experience!

#### **Examples of small groups ⇒ BIG EXPERIENCES:**

- Improv Workshop – Teams flex their work and personal communication skills through improvisational challenges led by our skilled communications professional.
- Egg Drop Challenge – Test their ingenuity and problem solving skills in this all time favorite science project.
- The Planks Puzzler – A full problem solving process with emphasis on communication, leadership, role definition and continuous improvement.
- Team Brainium: Unplugged – An interactive game show featuring mental, physical and visual challenges.
- Juggling For Success – Learn “simple” balancing and juggling skills and explore the dynamics of multitasking.
- So You Think You Know... – A fast paced question and answer style game show that can be customized for the city your meeting is in.
- Catch The Beat, Music Trivia – A fun, Name That Tune style activity for groups that “think” they know music!
- Green Teams – Highlighting environmental issues through active participation and discussion.
- Adventure Hunt – Participants locate and photograph uniquely fun “stuff” in and around their meeting site.
- Brown Bag Skits – Present ideas through theatrical expression while incorporating your meeting message.
- The Great Tower Challenge – Teams competitively build and promote the tallest free-standing tower made from assorted craft and office supplies.

#### **small groups ⇒ BIG EXPERIENCES (cont.):**

- “Pressing” for Success – Capture your team’s synergy as they make fantastic apple cider!
- Mini-Olympics – A spirited competition featuring a variety of unique team challenges.
