Catalyst Ranch and Corporate Event Interactive
have teamed up to present four **NEW** interactive programs

Retro Ranch Team Challenge

Like, totally spin the awesome big wheel to get your tubular team challenge! Teams work together to accomplish awesome tasks like 'Koosh Katch,' 'Dance like a Maniac,' 'Gag me with a Spoon' and earn points for their team. Engaging challenges sprinkled with 80's trivia gets your group *Back to the Future!*

Retro Ranch CSR Challenge

Giving back to the community is totally rad! Teams partake in retro challenges and, instead of earning points, they earn donation items and assemble care packages for a local children's charity!

Retro Ranch Game Stations

Guests travel back in time to take part in awesome 80's style challenges. Gnarly game stations include 'I Want My MTV', 'Assemble the Band' and 'Get Jazzercised'! At each challenge, guests earn Ranch Rewards based on how well they do. Rewards are cashed in at our Prize Redemption Area for fabulous Ranch-like prizes!

Rendezvous at the Ranch

Utilizing iPads teams explore the world outside in a fun hunt with a Ranch Hand twist! A custom map highlights points of interest near the Ranch, where teams take fun photos and poses imitating the creative and energetic Ranch Hands (Catalyst Ranch staff)! With our app, teams remain in constant communication with Ranch headquarters and receive messages on team accomplishments, bonus challenges and trivia. As the hunt winds down, teams rendezvous at the Ranch, sharing laughs, stories and experiences!
