

Wood Street Productions

Since 1984 Companies nationwide have called on Tamien Hook at Wood Street Productions to meet their video communications needs. If you're shooting in the Chicago area call the Wood Street production team.

Our services include:

SHOOTING:

- Seminars and Conferences
- Employee Training
- Trade Booth Presentations
- New Product Intros
- In House Communications
- Focus Groups
- Man on the Street Interviews
- Corporate Histories

EDITING:

All of the above. Part art, part tech and a whole lot of fun! You may be in love with your two hour presentation, however the online community or boardroom may not share your enthusiasm. If you need help condensing your elements into a compelling message we can help with your editing needs. From the Internet to the annual meeting, Wood Street has you covered.
